Parking Garage Construction Site

**IMPORTANT:** In August 2007 construction began on a 1,400-stall parking garage on the south side of the K-State campus. When completed in late 2008, the garage will more than triple the parking capacity at the K-State Student Union. **During construction, visitors are required to park in the football stadium east lot on the north end of campus (along Kimball Avenue). A conference parking permit is required.**

Shuttle buses from this lot to the northwest side of the Union run approximately every 10 minutes on weekdays between 7 a.m. and 6 p.m. **Vehicles must be removed from the lot by 6 p.m.** . **If you plan to attend the social hour and awards banquet, you will need to relocate your vehicle to a closer campus lot as indicated.** No shuttle service is available on evenings or weekends. During those hours, visitor parking is allowed in any non-reserved stall on campus.

Conference participants should allow ample time to get from the east stadium lot to the Union. Please park at least 30 minutes prior to the start of the conference.

Your understanding and patience are appreciated during construction of this enhancement to the campus.
